From Rich McCamant – Admin Officer:

Attached here is my updated “SEEKING” list, now down to 164 names. We have accounted for all other of the 1600+ crew members of the Sirago which puts us at 90% accounted for. Guys... I need your help. If you know ANYTHING about ANY of the people

shown on this list – even if it’s 50 year old information about the crew member, their family, hometown or whatever, please email me (see address in banner) or call me at: (410) 820-5225.

Thanks,
Rich
