

# Duty Section Review-5356

Volume 9, Issue 3 – Insert. By Mike Bickel – Bickel485@aol.com

August 2008

This is the third in a series of Duty Section Reviews to document Sirago's history. This group represents the 1953-1956 period (Duty Section 5356) which starts where the 4952 group ended – in the shipyard in Charleston. In the 1953-1954 period Sirago's patch was changed from a fish carrying a torpedo to the familiar Trojan Sea Horse design. All crewmembers for this duty section have been accounted for.
